Experience

The Jim Henson Company

Reader, Publishing and Development (2009)

- Reviewed all incoming submissions for the department, wrote coverage and development notes on screenplays, books, comic books, and manga
- Attended weekend read meetings to pitch new projects and discuss notes on projects in active development
- Assisted the development of the production slate: introduced brand-appropriate content and creators, packaged projects, and devised sales proposals
- Utilized Japanese language skills and cultural understanding while assisting a merchandise development project

Kaman's Art Shoppes

Caricature and Face Paint Artist (2008 – 2009)

- Performed customer service, handled money, completed comptroller duties
- Used Inter-personal skills to bring in sales and create a memorable experience
- Captured essence of a customer's personality using life drawing/cartooning skills

Waldenbooks

Bookseller (2003 - 2004)

- Handled re-stocking, inventory, and shipments received
- Worked on sales register, assisted customers in locating and ordering books
